CL5500

Cart Scale Series

Perfect Realization Of CL5500 Function

- Realization of beef history management by utilizing scanner
- High speed printer
- Clear display
- Powerful network system (basic application of wired LAN)
- Efficient data management using dedicated program

Structure That Is Optimal For The Logistics Environment

- Reduction in work time through concurrent execution of weighing, outputting and moving
- Attachment of urethane wheel with outstanding durability
- Battery format for easy mobility

Feature

- Easy data management using powerful network
- Fortification of durability and convenient mobility with the attachment of polyurethane wheels
- Quick management of products by using scanner (support management of the history of beef)
- Supports a diverse range of label printing formats

Application

- Meat processing & distribution center
- Management of the weight of products being warehoused & shipped out (product inspection)
- Mobile weighing of cargo in courier and distribution warehouses
- Inspection management of industrial products

Option

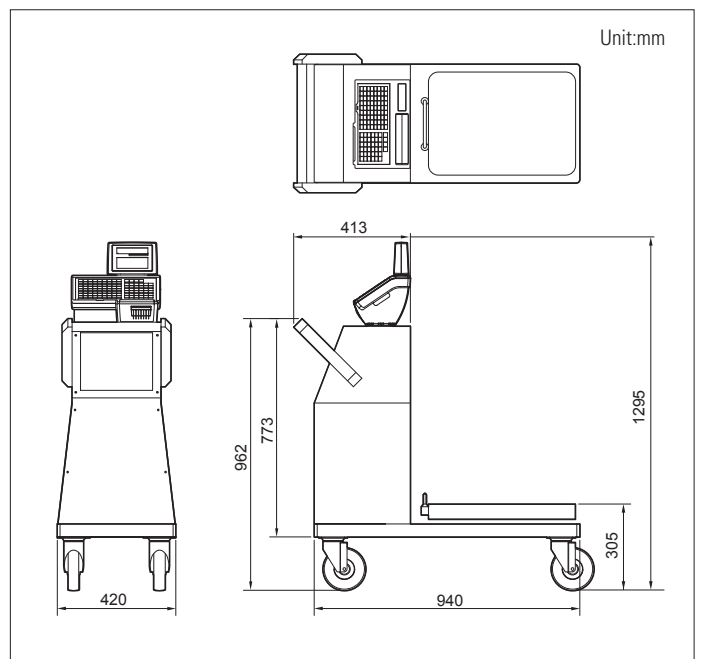

- Wireless LAN Card (WIFI)
- Wireless barcode scanner

Specification

MODEL	CL5500-CART SCALE	
Maximum indication (kg)	60	150
Value of each scale (kg)	10/20	20/50
Degradability	1/3,000(Dual interval)	
Display type	Graphic LCD(202x32dot) + Numeric LCD(4/5/6/6)	
Printing Speed (mm/sec)	100	
Operating temperature range(°C)	-10 ~ +40	
Power supply	AC100~240V, 50/60Hz, PB battery	
Duration of use/charging	8hr(issuance of 300sheets of label)/4hr	
Size of cargo plate (mm)	420(W) x 510(D)	
Product Dimensions (mm)	940(W) x 420(D) x 1295(H)	
Product Weight (kg)	83
