Marketing suggestion using a ceramic scale

Let's Enjoy~!

Pleasure to give "Free".

By marking "+00g" given more as free than standard sales weight in a receipt, CP500 provides doubled pleasures to a client.

Let's Feel~!

"Exciting scale"

As the industry's first, through collaboration with Han kook China, it has produced with a unique design, using eco-friendly "bone china ceramic", and adding strict hygienic management and luxurious image.
